USC and ISO 9001:2000 Certification

Universal Switching Corporation has a Quality Policy that serves as the backbone for the products, services and innovative designs it offers. As a global supplier of cutting-edge switching equipment and associated support products, Universal Switching Corporation management fully supports the ISO process and its function within the company.

In achieving ISO 9001:2000 certification, Universal Switching Corporation has demonstrated to ANAB accredited third party auditors (National Quality Assurance) that we have certain process in place and under control. These include the following types of processes:

- *Quality management system*
- *Management responsibility*
- *Management review*
- *Resources and work environment*
- *Product realization*
- *Design and development*
- *Customer related*
- *Measurement, analysis and improvement*
- *Purchasing*
- *Outsourcing*
- *Production and service provisions*
- *Control of monitoring and measuring devices*
- *Control of nonconforming product*
- *Analysis of data*
- *Continual improvement*
- *Corrective action*
- *Preventative action*

If you require a copy of our ISO 9001:2000 certificate, it is available for quick download within the quality section of our website. If you have additional questions regarding this, please contact Universal Switching Corporation directly at +1-818-381-5111 or via our website at www.uswi.com where you can view other information regarding our quality system and products.

Best Regards,
Universal Switching Corporation
